

Errata and notes for Volume Three

1st February 2024

- Chapter 11, Section 10 (8) to be deleted and replaced by the article entitled

“Decidability of the Riemann hypothesis” arXiv:2312.11565v2[mathNT]

22 Jan 2024

This gives a more correct and complete version of the algorithm and clarifies the sense in which RH has been shown to be “decidable” in PA, first order Peano arithmetic.
